

Texas A&M University
Department of Recreational Sports
Student Job Announcement

Student Position Title: Rec Medic

Job Description:

We are a student-run Texas Department of Health recognized First-Responder Organization. In recognizing the Rec Sports Mission statement, the Medic Program strives to provide a safe environment by providing emergency medical services to a diverse Texas A&M Community. We encourage lifelong learning and self-enhancement through educational programs and student employment opportunities.

Certifications Required:

Please attach a copy of your current CPR and Texas Department of Health EMT (or higher) certifications.

Work Hours/Anticipated Schedule:

The typical hours of operation are Monday–Friday, 6:00 AM–midnight; Saturday, 10:00 AM–11:00 PM; Sunday, 12:00 PM–midnight. Shifts are flexible and medics work in 3-hour blocks. Medics are required to submit 10 hours of availability per week and must be available to work at least two weekends per month.

Please submit a copy of availability with your completed application.

Additional Information:

Please attach a separate sheet to your application answering the following questions:

1. Why do you want to be a Medic for the Department of Recreational Sports?
2. What skills, knowledge, and personal attributes do you possess that you feel would make you an asset to our Medic Program?
3. What other activities are you involved with at Texas A&M University and how much time do they take up?
