Event Planning Guidelines

Pre-Event Planning and Catering

The Department is committed to providing you with the best service possible. To assure the success of your event, please contact Paula Opal at popal@rec.tamu.edu or call 979-845-3076 to arrange a meeting at least two weeks prior to the event. This meeting is vital if you need more than tables and chairs and plan to have entertainment.

1. The event is approved **ONLY** for the time listed on the reservation form and will be verified in **bold print** on the **confirmation form** immediately under the date. The reserved time in small print indicates the setup and takedown time for the Recreational Sports personnel and the group will not be permitted in the room during this time. This means the organizer **must** include time for decorating, catering setup/takedown, pre and post preparations and event cleanup in the reservation request.
2. The Department of Recreational Sports reserves the right to book another event 30 minutes before or after your event. It is vital that you adhere to your confirmed reservation time.
3. The Archery Room seats a maximum of 450 people and the Garden Room seats a maximum of 180. Any room that is within 75% maximum occupancy will have limited space available for food service and entertainment.
4. Security may be required for dances and other large events, especially if they are open to the public.
5. Any caterer is permitted for food but there are restrictions on the beverage/alcohol vendor. A representative from the group must sign for any food deliveries and the Department of Recreational Sports is not responsible for any missing food. All catering dishes and ice chests must be removed by the ending time listed on the confirmation form.

Decorating Guidelines

1. Duct tape, double stick tape, and other high adhesive tapes are not permitted. It is suggested you use packing tape, painters/quick release tape or poster putty to adhere things to the walls or floor.
2. Tape, nails and thumb tacks cannot be used on any wood trim, art work, walls with wall paper and windows with a vinyl covering.
3. Glitter and confetti is **NOT** allowed anywhere in the facility.
4. The group must supply their own extension cords, power strips, office supplies, disposable dishes/utensils, etc.
5. Linens are not required since the tables have a laminate grey speckled surface. However, if you do not use linens, the group will be responsible for cleaning all the tables at the conclusion of the event. If you wish to use linens, the Department of Recreational Sports has a variety of linens in an abundance of colors for a nominal rental charge or the group can provide their own.
6. The groups must return the room to its original condition at the start of the event. All tables must be cleared of plates/cups/decoration and the floor may need to be swept. A cleaning charge may be assessed if the group does not adhere to this rule.
7. The Department is committed to recycling. We request that all paper boxes be flattened and plastic drink containers be set aside so that they may be brought to the recycling bins. The Rec Sports staff will take care of this service as well as dump the trash.

Audio Visual Equipment

1. Most rental rooms come with ceiling mounted LCD projectors/screen with computer hookups. This equipment is available for a rental charge and arrangements and must be made a minimum of 48 hours in advance and during business hours. Groups providing their own LCD projector will need to bring a portable screen/power cord.
2. Wireless microphones, CD players, cable TV, and stereos are available in most rooms for a rental charge. However, the Department is not responsible of equipment malfunctions that could not be foreseen.
3. Laptops are **NOT** provided by the Department of Recreational Sports.
4. Wireless access is available to Texas A&M students and staff provided you have a current net ID and password. For events with non A&M credentials, guest wireless or VPN accounts can be setup by going to the following website: <http://tamulink.tamu.edu>. Please submit a request a minimum of two business days prior to the event.
