Student Spotlight: Jade Hanson (Water Ski) - National Champion

I started water skiing behind a tractor in our yard when I was 2 and before I could walk my dad would put me up on his shoulders as he skied down the lake. I have been skiing since I was five years old and I have practiced consistently to make it to where I am today in the world of water skiing. I am ranked eighteenth overall in the US.

In high school, I was the Team Captain of the Varsity tennis team and was the number one girl on the team for the four years I attended. I also was a part of the National Honor Society my junior and senior year. I also was a level 9 gymnast throughout high school which kept me busy and helped me with my waterskiing skills.

Winning the national championship was one of the most exciting things I have experienced. I had won the Regional AWSA tournaments in the past but they were not as fulfilling as this award. While I was performing the best I could at the tournament, my awesome Texas A&M teammates cheered me on with enthusiasm. They cheered me on as I went up to accept my award at the banquet. It is a moment that I will never forget. Being a member of the Texas A&M water ski team my freshman year has been an exceptionally rewarding experience. My teammates are wonderful and we are all supportive of each other.

Aggies-Horns Challenge!

The Aggies grew their lead in February, now 9-6,5! Triathlon got 2nd in Regionals to Texas' 1st, but Archery swept both team's invitational gaining a point. Ice Hockey has won 3 of the 4 head to head match-ups with Texas this season and Judo won the Texas College Championship with a score of 32 to Texas' 26. Men's Rugby won both of their regular season games against Texas with scores of 26-17 and 36-15. Gig'em Aggies!

Meet the Executive Committee: Mike Strachan

Howdy! My name is Mike Strachan, and I am a Junior Civil Engineering major from Spring, Texas. I joined the Paintball club my sophomore year in 2013 after transferring from A&M at Galveston. I have been playing competitive paintball since 2011, traveling all over the country to compete. Competing at the collegiate level has been an amazing experience for me to grow not only as a player but a person. My recent accomplishment with the team is winning the last 5 South Central Collegiate Conference tournaments in a row, keeping A&M on top in our conference. Since joining the club, I slowly gained a leadership role within the group and then became the president this passed semester. The alumni have set an amazing foundation for our current members and we continue to build on it with the help of advisors Keith and Jessica, and I am excited to see what the future holds for us.
