

Sport Clubs RECOrd

Eddie Cepeda Chosen as Employee of the Year!

Congratulations to Eddie Cepeda for being selected as Employee of the Year for Sport Clubs! Eddie has been a Supervisor for 3 years and has always been consistent and dependable. With his laid back, pleasant, and witty personality, Eddie has become a friend to many of our Sport Club participants and staff. Possessing a great sense of humor which can diffuse negative situations, Eddie has become a go to person for the club officers and someone they constantly rely and depend on. Supervisors are responsible for maintaining a safe and enjoyable environment during practices, games, and tournaments, and Eddie has stepped up over the past year by improving his Supervisor skills. He has also been a phenomenal support for his peers, as he has picked up several shifts for his fellow supervisors.

Jessica Konetski, Eddie's direct supervisor, states "He is a great person to have on staff, and I have truly enjoyed working with him." Keith Joseph, Assistant Director of Sport Clubs says,

"Eddie is a dedicated worker, always striving the extra mile to get things done. We are honored to have him as part of our Supervisor group and the Sport Clubs Association." Marlene Wong, Sport Clubs Graduate Assistant, states, "Eddie has been such a valuable part of our program, and I know our club members will truly miss his presence on the fields. We wish him the best of luck!"

Good luck with your future plans, Eddie! We will miss you! Remember to read our emails once in a while.

Meet Your 2012-2013 Executive Committee

The Sport Clubs Association officers recently elected from a queue of highly qualified individuals, hand selected by the current Executive Committee and Sport Clubs staff, to serve as the 2012-2013 Executive Committee. Those selected are:

- **Carly Rheman**, Women's Soccer
- **Rachel Westbrook**, Women's Lacrosse
- **Whitney Binder**, Women's Club Volleyball
- **Michael Cook**, Bowling
- **Taylor Smith**, Water Ski

We are very excited to have such a promising Executive Committee for the 2012-2013 year. The new members cite desires such as increasing Sport Club membership as well as helping to develop Sport Clubs officers to better serve each club. 2012-2013 looks promising!

Triathlon Concludes Glorious Racing Season

The Texas A&M Triathlon Team finished the season undefeated in its regional races. We competed against top-notch triathlon teams from all over Texas, Louisiana and Oklahoma. We started our fall semester with many strong individual performances. Dustin Joubert won the Katy triathlon and both Caitlin McGill and Bobby Spiller placed 2nd in the Collegiate Division. Liz Baugher placed 4th at the U.S. Open Triathlon. Sarah Pledger and Karyn Stern were also consistent top 10 finishers at multiple races.

Our spring semester season began with another team win at Frost Yer Fanny Duathlon. We then held our own team time trials in which over 40 team members came out to vie for a coveted spot on our championship traveling team. For the first time ever, USA Triathlon held a Regional Collegiate Championship. We swept the women's, men's, and the overall team divisions. Top finishers from the men's' side were Scott Wilkinson, Dustin Joubert, Ben Prince and Sean Chang. From the women's team, Liz Baugher, Lauren Lewis and Cici Teeter finished 1st, 3rd and 4th respectively.

After graduating numerous seniors from our team, it was great to see new faces stepping up their training and racing for our national team this year. We traveled to Tuscaloosa, Alabama for USAT Collegiate Nationals where we placed 14th overall as a team.

Amazing Race !!!

It's a race to the finish!

Not only to the end of the spring semester, but for the 3rd Annual Amazing Race! The Amazing Race is an end of year event put together by the Sport Clubs Executive Committee as a way to give back and show appreciation to the Sport Clubs who work so hard during the year. This event has been held the past two years and we continue the tradition this year. Clubs break into small teams and are given clues directing them to various locations across campus

where they will have to complete different challenges and tasks-- the first team back wins! After the event has concluded there will be prizes, End of the Year Officer and Club awards, free pizza and free t-shirts at the Rec Pavilion. Don't forget the contest for best team costume!

Amazing Race III: May 2nd, 12:30-4:00 PM
