Chapter 5: Facilities & Equipment

A. Recreational Sports Facilities

As members of the Sport Clubs Association, you have access to world-class facilities at little to no cost. This is a privilege not afforded to other Texas A&M student organizations. Texas A&M Sport Clubs receive two free tournaments or competitions per year in the Rec Facilities during normal operating hours. (The following facilities are coordinated and scheduled through the Department of Recreational Sports for Sport Clubs use.)

B. Facility Use Policies

The following facility use policies have been established by the Department of Recreational Sports. As representatives of the Department, all Sport Clubs members are expected to know, understand and abide by these policies. Sport Clubs are very fortunate to have the unique benefit of access to these facilities at little or no charge. Misuse of facilities or abuse of this benefit will result in the loss of facility use privileges for the club. Please remember the on-site Recreational Sports staff is authorized to modify or discontinue any activity based on participant safety, potential damage to the facility, or non-compliance with facility policies or staff requests.
**Required Identification**

Membership IDs must be presented to the facility receptionist upon entering facilities coordinated by the Department of Recreational Sports. Sport Clubs members and coaches are not exempt from this policy. **Whether entering the facility for a scheduled Sport Clubs event or practice, or to utilize the facilities for recreational activities, all Sport Clubs members should present the proper identification. This also includes the Penberthy Rec Sports Complex and the PEAP Building.**

**Facility Rentals**

All facilities needed for all Sport Clubs meetings, practices, tournaments, games, and other competitions should be reserved through the Sport Clubs Office. At this time, Sport Clubs are not directly charged for the use of facilities coordinated through the Department of Recreational Sports for practices. In addition, Sport Clubs are permitted to host **two tournaments** or competitions per year **AT THE REC CENTER, THE PENBERTHY REC SPORTS COMPLEX, or THE PEAP BUILDING** within the normal operating hours without paying facility rental fees. Clubs hosting more than two events per year **will be required to pay the necessary court/room rental fees in any REC facilities, in addition to staffing fees as deemed appropriate by the Department of Rec Sports.**

Clubs are permitted to host 1 alumni banquet at no charge in the Rec Center, if your club has an endowment account with the Texas A&M University Foundation.

**Hosting National Competitions:** When considering hosting national competitions, clubs **WILL** have to pay for ALL facility rental charges, additional personnel costs, and potential guest fees.

Clubs will be billed for early openings, late closings, and any events exceeding the two currently permitted at no charge. Sport Clubs will also be responsible for direct costs (i.e. staffing, cleaning, etc) associated with banquets and events hosted by your organization. In these situations, clubs will be billed according to the following minimum staffing guidelines (charge will be $17/hour/staff member).

- **Student Rec Center**
  - Two Facility Supervisors
  - One student Medic

- **PEAP Building**
  - One Facility Supervisor
  - One student Medic
  - Sport Clubs Tournament Assistant

- **Penberthy Rec Sports Complex**
  - PRSC Supervisor
  - One student Medic
  - Sport Clubs Supervisor

- **Banquets**
  - 1 Special Event Supervisor during event, in addition to set-up/take down

Aquatic Facilities

- Two Lifeguards
- One Head Lifeguard

**Penberthy Rec Sports Complex**

- PRSC Supervisor
- One student Medic
- Sport Clubs Supervisor

Clubs may not sponsor or host events for another organization, including national leagues or associations, so that they may avoid facility rental fees. In other words, the sport club must be involved in all aspects of the event (i.e. planning, coordinating, etc). **Regular conference games will not adhere to the 2 tournament policies.**

**Scheduling**

Listed below are the facility hours for the 2014-2015 year. Hours are subject to change; please check the Rec Sports website (recsports.tamu.edu) for updates.

Please keep the following in mind when scheduling competitions and tournaments

- Use good judgment when requesting times outside the normal operating hours. In most cases, only very large tournaments should need the building to be available beyond normal operating hours. Any member of the Sport Clubs staff can assist you with setting up tournament brackets and schedules to reduce the possibility of competing outside normal operating hours.

- Always verify your tournament hours with the Sport Clubs staff. This is the only way to be assured that the building will be available.

- **Home events will not be permitted on home football game Saturdays.**

- It is strongly suggested to review the university calendar for campus events.

- **Final scheduled hours of the tournament MUST be finalized and submitted at least 2 weeks prior to the event for facility rental and personnel scheduling purposes. Changes WILL NOT be made after the deadline.**

- It is strongly suggested clubs set up courts, hospitality rooms, etc. the night before the start of the tournament (9 - 11 pm). Please establish set up times with the Sport Clubs staff to ensure that the facility will be available.

- For outdoor facilities, always include an alternate date with your tournament information in the case of inclement weather or event cancellations.

### Facility Reservations

All facilities needed for all Sport Clubs meetings, practices, tournaments, games, and other competitions should be reserved through the Sport Clubs Office. Numerous campus groups and organizations utilize Rec Sports facilities; therefore, it is vital that sport clubs schedules and facility requests are submitted in a timely manner when requested. Failure to do so may result in scheduling conflicts, and other organizations will not be bumped in order to accommodate Sport Clubs requests.

Facility reservations will be made by the Sport Clubs staff based on the schedules submitted by the club leadership. Clubs should submit a **Facility Reservation Request form** to the Sport Clubs staff for facility needs that arise at any point during the semester. Factors considered for approval include:

- Facility availability
- Compatibility of the activity with the facility use policies and procedures
- Safety and risk considerations
- Availability of appropriate staffing and supervision
- Other large events on campus

Remember your club is not guaranteed facility reservations based upon your request. It is important to follow up with the Sport Clubs staff to determine the status of your request. Facility reservation confirmations will be emailed to the appropriate club contact once confirmed by the Department of Recreational Sports.
Inclement Weather & Outdoor Facilities

To ensure the playability of outdoor facilities throughout the year, careful consideration will be given when programming during rain or on wet fields. If standing water is visible or the possibility of damaging the fields exists, events will be cancelled and rescheduled. For weekly practices, the decision to close fields will be made by 3:30 pm.

Information about field conditions and closures will be posted on the Sport Clubs Twitter Account. Sport Clubs strongly recommends all club participants follow @TAMUSportClubs to get field updates. Please call 979.845.2625 for an automated message regarding the daily status of the fields. The basic guideline for assessing the situation in the absence of the Sport Clubs staff is – if there is any question or doubt, reschedule.

In case of inclement weather and/or poor field conditions the following policy should be followed for event cancellations.

1. A Sport Clubs staff member or other full-time Recreational Sports staff may cancel the game prior to starting due to severe weather and/or dangerous playing fields.

2. In the absence of full-time Recreational Sports Staff, the decision to cancel an event prior to starting will be the responsibility of the Penberthy Rec Sports Complex Supervisor along with the Sport Clubs Supervisor.

3. Once the contest has begun, the responsibility for canceling the event rests with the game officials. Club officers and/or Recreational Sports personnel should inform the game officials of the Department’s severe weather policy and any other pertinent information to assist them in making a prudent decision once the contest has begun.

4. The Sport Clubs staff will attempt to reserve the McFerrin Indoor Center. Clubs will be notified if the Center is reserved and times of practices. There may be times where the facility is unavailable. If this is the case, teams will need to make alternate plans or cancel practice. The facility will only be reserved for inclement weather.

5. **With the assistance of the Sport Clubs Supervisor, the Penberthy Rec Sports Complex Supervisor will make the determination after 3:30 pm Mon-Fri.**

Lightning Prediction System

Lightning is a severe hazard that must be taken seriously. In an attempt to improve the safety of our participants and visitors, Texas A&M University has installed a lightning detection system that will give outdoor participants advance warning of possible dangerous weather conditions.

The lightning prediction system is capable of sensing atmospheric conditions and predicting lightning strikes at ranges of approximately two miles. In the event that conditions are favorable for a lightning strike, **the system will give one long horn blast (lasting approximately 15 seconds) accompanied by a flashing light.** Once the dangerous conditions have passed, three short horn blasts (approximately 5 seconds each) will sound and the flashing lights will turn off.

**In the event of a system warning:**

- **Stop ALL activities!**

- **Seek shelter at the Penberthy Pavilion lightning shelter, in campus buildings, or cars/trucks**

- **Avoid open areas, elevated ground, water, flagpoles, tall trees, metal fences, golf carts or mowers, cellular phones, and radios**

- **Do not resume activities until the “all-clear” has sounded (3 short blasts)**
C. Facility Inspections

It is the intent of the Department of Recreational Sports to keep all facilities (both indoor and outdoor) in safe, playable condition. The Rec Sports staff will make every effort to review the conditions of each playing surface and surroundings prior to all Sport Clubs activities and events. However, it is important the Safety Officer, along with Sport Clubs members, review facilities immediately prior to utilizing the space and report any problems or concerns that may pose a hazard to the users of the area to the Sport Clubs staff. Please use the following outline as a checklist when inspecting facilities.

Outdoor Facilities

**Equipment**
- Equipment not in use should be far enough off the playing surface so that players running or pushed out of bounds will not fall or trip into it
- Equipment should be checked for damages or repairs (i.e. missing bolts, broken parts, etc.)
- No equipment should have jagged edges
- Training equipment should be in safe, working condition without temporary repairs

**Bleachers**
- Free of debris
- No broken seats

**Practice**
- Practice drills/skill development/scrimmages/games should not hinder or impose upon any other activity taking place in the area
- Each club should remain within the space assigned to the organization

**Exits**
- No debris or water in doorways or stairs
- All exit doors in good working order
- No doors propped open
- Exit signs highly visible

**Equipment**
- Balls are properly inflated
- No loose or unnecessary equipment in the practice area
- All goals/standards are properly installed

**Practice**
- Activities associated with practice should not hinder or interrupt any other activity taking place in the area
- Each club should remain within the space assigned to the organization

**Outdoor Facilities**

**Playing Surface**
- Free of debris (i.e. cans, golf balls, rocks, glass, etc)
- No holes
- No tire tracks
- Grass mowed to a reasonable height
- No freestanding water
- Sprinkler heads should be checked for repairs
- No designations that the field is under repair
- Playing surface should be free of manhole covers, trees, utility access, etc.
- Field playing dimensions should allow for safety zones that are obstacle free

**Miscellaneous**
- Emergency Access Phone should be in working order
- No vehicles parked on any grass area unless an authorized University permit is displayed. Vehicles with authorization must be a minimum of 20 yards away from the safety perimeters of the field.

**Indoor Facilities**

**Playing Surface**
- Free of Debris
- No freestanding water
- No loose wall panels

**Fixtures**
- No broken windows
- Nets in good condition (no obvious tears)
- Wire cables and pulleys checked
- Mirrors clean and secured
- Mats clean

**Lighting**
- Ceiling lights in working order
D. Event Planning

Sport Clubs host a wide variety of activities throughout the year, including tournaments, games, competitions, and banquets. It is important to properly plan for these events to assure success. Clubs should also evaluate events once they have taken place to determine their value to the club. The Sport Clubs staff has designed an **Event Planning Packet** to assist clubs in the event planning process. **All clubs should meet with the appropriate Sport Clubs staff member at least one month prior to hosting an event or activity.** This coordinated planning process should continue throughout the event and include a **Post-Event Evaluation** form after the event is completed. Please refer to the Event Planning Packet, available in the Sport Clubs Office or through the Sport Clubs staff. If your hosting a Youth Tournament, you will also need to go through the Youth Checklist process.

**DO NOT PUBLICIZE OR PLAN TO HOST AN EVENT UNTIL YOU HAVE A FACILITY RESERVED!!!!**

Please do not sign up for events to promote clubs without first checking to make sure:

- It is an event the Sport Clubs staff approve of participating in
- The Sport Clubs Association is not already participating in/promoting Sport Clubs at that event (MSC Open house is an exception)

**Items to include in tournament packets**

- Rec logo & Rec Sports [website](recsports.tamu.edu) / Social Media Sites
- Club’s website & Social Media Sites
- Contact information for club representative
- Visiting information packet or website link
- Facility rules or link to facility rules
- Waiver (if applicable) or link to waiver
- Youth Checklist (if applicable)

**Hosting Youth Events**

Annually, clubs may host events/tournaments involving youth (minors under the age of 18). When this occurs, there are additional responsibilities and procedures that organizations must complete in order to host an event involving youth.

**For Clinics/Instruction type events** - Refer to [Youth Camp or Clinic Checklist](#)

- Meet with Sport Clubs staff and reserve facilities WELL in advance of activity.
- Camp Application must be completed and submitted through camps.tamu.edu at least 10 weeks in advance of the actual event.
- Event Planning Packet through sport clubs—due 1 month in advance.
- Comprehensive Background Checks must be done for anyone working/volunteering at your event.
- Child Protection Training (CPT) must be done and submitted 1 week in advance for anyone working/volunteering at your event.
- Liability waivers need to be filled out and submitted by each participant in advance.
- Talent release forms must be submitted with waivers.
- Insurance obtained for the event at least a month in advance

**For Tournaments** — Refer to the [Youth Tournament Checklist](#)

- Meet with Sport Clubs staff and reserve facilities WELL in advance of activity.
- Submit an Event Planning Packet at least 1 month in advance.
- All workers/volunteers must complete CPT and certificates submitted to the Sport Clubs office 1 week prior to event.
- Liability waivers and Talent Release Forms must be completed and submitted to Sport Clubs office at least 1 week prior to event.
- Insurance obtained for event at least a month in advance.
