

Position Title

Task Worker - SCUBA

Job Description

Assist classes including all aspects of SCUBA instruction and certification. Successful applicant will work both independently and in conjunction with supervising SCUBA instructors. Work hours will include but are not limited to nights and weekends. It is necessary to work with all ages of students with varying abilities as well as remain current in the theoretical and practical knowledge of SCUBA equipment and its maintenance.

Certifications Required

All SCUBA assistant applicants must be currently certified as a SCUBA instructor and as an Emergency First Response Instructor. Any application without current certifications attached will be considered incomplete.

Work Hours/Anticipated Schedule

Work approximately 10-45 hours a week depending on class description and size.
