

Texas A&M Rec Sports COVID-19 Protocol

In order to provide a safe and healthy experience for the entire Texas A&M community of students, faculty/staff/spouse members, and guests, Texas A&M Rec Sports will heed the guidance of the State of Texas, TAMUS, TAMU, and Brazos County Health Department health and safety standards which all users are required to follow to ensure the welfare and protection of all parties.

The use of Texas A&M Rec Sports facilities and services indicates your agreement to:

- Adhere to all Texas A&M and Rec Sports rules and regulations
- NOT visit any Rec Sports facility if I am aware of or displaying any symptoms that are potential flu-like indications such as fever, cough, or any difficulty with breathing
- Assume any and all liability for my health and well-being by physically attending the premises of a Rec Sports facility despite the recent COVID-19 pandemic
- Abide by the physical distancing guidelines(s) by keeping a 6-foot distance between customers, Rec staff, or guests at all times when using any Rec Sports facility or any other product or service unless acute injury, risk mitigation, or safety measures require otherwise
- Minimize and avoid unnecessary physical contact with others
- NOT attempt to use equipment that is non-operational or has any sign communicating non-use for any reason stated by Rec Sports
- Thoroughly wipe down equipment after every use with the sanitation supplies provided by Rec Sports and ensure all trash is discarded in designated waste receptacles
- Return all equipment to the original place for proper storage after every use
- Understand that the hours of operations for all Rec Sports facilities will include pauses for sanitation and cleaning purposes.

Thank you for doing your part as we work together to keep our Texas A&M community safe for all our valued students, faculty/staff/spouse members, and guests.

Please check back on our website at <https://recsports.tamu.edu/coronavirus/> regularly as guidelines may change based on the guidance of the State of Texas, TAMUS, TAMU, and Brazos County Health Department for sanitation, physical distancing, member, Rec staff, and guest safety, as well as facility and amenity hours of operation.
