Sport Clubs travel annually more than *250,000* miles for games, tournaments, and other competitions. With such a heavy emphasis placed on safety and managing risks it becomes very obvious travel is an area that will be closely watched and discussed. Realizing this fact, it is important you as student leaders understand the liability associated with travel, as well as the various options that are available for the club's use.

A. Student Travel Guidelines

Texas A&M University instituted a student rule that governs student travel, as well as an accompanying standard administrative procedure that provides guidelines for safe driving practices in large capacity vehicles. It is imperative your organization follows the travel procedures established by the Sport Clubs staff in order to ensure adherence to the suggested guidelines. The following information is meant to provide a general explanation of the student travel policy and how it affects your organization.

13.04.99.M1.01 – Student Travel Procedures & 24.01.01.M0.01 – Van Safety Procedures

The student travel rule governs travel undertaken by students to **an event or activity located more than 25 miles from the University and is:**

- Organized by a Sport Club or representing the University (including ALL Star events)
- Sponsored by the University,
- Funded by the University,
- Undertaken using a vehicle owned or leased by the University, or
- Required by a student organization registered at the University

**NO driving between
midnight and 6 am**

The rule specifies trips that meet these criteria must abide by the following guidelines:

Required Documentation

- **Student Travel Notification** – The Sport Clubs staff will notify Student Activities office for the Critical Incident Response Team (CIRT) with the required information for clubs that submit a Sport Clubs Trip Itinerary within the timeline specified in this guidebook.
- **Waiver and Release Forms** – All student travelers must have a completed Assumption of Risk/Standard of Conduct/Head Injury and Concussion form on file with the Sport Clubs staff. Students under the age of 18 must have a release signed by their parents or legal guardian.

B. Trip Planning

The traveling process requires organization, attention to detail and planning on the part of Sport Clubs leaders. **For all travel:** Club leaders should discuss each trip with Sport Clubs staff in their monthly meetings to insure proper planning of trips. ***During this meeting, club leaders should be prepared to discuss:***

- **Purpose of the trip**
- **Travel route**
- **Itinerary (i.e. lodging, timeline, etc)**
- **Mode of transportation**
- **Selection criteria for drivers**
- **Emergency procedures**

In order to compete and travel, a completed SPORT CLUBS TRIP REQUEST FORM ONLINE THROUGH SPORTCLUBS.TAMU.EDU must be submitted at least one week prior to departure. If the trip request is NOT submitted, the club will not travel.

ALL information (FINALIZED rosters, driver agreements, etc) MUST be submitted by 5 pm on Wednesday the week of travel. Failure to do so will result in the club not traveling.

ANY roster changes MUST be notified to the Sport Clubs Office (if you are removing members from the travel roster after Wednesdays at 5 pm). The Sport Clubs Office must have an accurate list of travelers.

If a person does not have an AOR submitted/approved through the MANAGER website, they WILL NOT be visible to add to the trip request and eligible to travel and compete.

Trip Request info:

- ONLY club members who have an approved AOR/SOC will be visible and available to be added to a trip request.
- ***ONLY CLUB MEMBERS COMPETING MAY TRAVEL! Exceptions may be made by the Sport Clubs staff. Set up a meeting to discuss these situations.**

If the information on the Trip Request is not complete, clubs will be unable to utilize Rec Sports funds or obtain reimbursement for expenses incurred as a result of the trip. In addition, clubs could face disciplinary action for failing to abide by the trip planning process.

Individuals who drive large capacity vehicles must complete training. Texas A&M has established an on-line training tool through www.alertdriving.com. Anyone who will be driving large capacity vehicles during Sport Clubs trips must complete this short training course. The Department of Recreational Sports pays a \$10 fee for each individual being certified, it is strongly recommended your organization determines five or six individuals who will be responsible for driving during the various trips throughout the year. **Sport Clubs will pay for the first 4 people of each club to complete training. Clubs must pay for additional training courses.** The process for being certified to drive large capacity vehicles will be as follows:

1. Clubs will need to submit a list of names and email addresses of those club members who will need the training. **THEY MUST BE 21 YEARS OF AGE OR OLDER!** Please submit the list to the Sport Clubs Director. Clubs will then receive a reply email with details on how to complete the training.

8. In order to rent a large truck or cargo van, individuals must follow these procedures as well.

Class Absence Requests

Club members may need to be absent from classes in order to attend scheduled Sport Clubs competitions. Club members can prevent misunderstandings and academic difficulty by obtaining a letter from the Sport Clubs staff verifying the club's plans to travel and compete. Club members are **HIGHLY** encouraged to inform instructors WEEKS in advance of the event prior to giving them a class absence request letter.

Class absence request letters will be given out before trips, NOT AFTER A TRIP. In order to receive a class absence request letter, the club member's name must appear on the Travel Roster on the Trip Request Form.

Sport Clubs travel is not a university excused absence; therefore, class absence request letters do not mandate professors excuse the absence.

Club members are responsible for all work missed during their absence and are required to comply with their instructor's demands for rescheduled or make-up exams and assignments.

On Sport Clubs Trip Request form, mark "yes" for class absence request letters, if needed. Class absence request letters will not be distributed until the trip is approved.

The class absence request letters will be typed on Department of Recreational Sports letterhead and signed by the Sport Clubs staff. Copies for each student can be picked up in the club's mailbox not less than 3 business days after submitting the request.

Travel Options

The following options are available for use by Texas A&M Sport Clubs during authorized trips:

All measures are in place to heighten the safety of our participants. It is encouraged to utilize the Sport Clubs or SOFC credit cards to make airfare purchases.

For International travel, trip requests form must be submitted **ONE MONTH** in advance of travel. ALL trips must be registered at - studyabroad.tamu.edu

Eligibility Checks

****All competing and traveling members MUST meet Sport Clubs Guidelines to be eligible.**

If a member is ineligible, they WILL NOT be available to add onto the trip request.

All Sport Clubs must abide by the conference, regional, and state rules and regulations that govern their sport. A club representative should see the appropriate Sport Clubs staff member at least three weeks in advance when required to obtain certificates of eligibility from the University (statements verifying current student status and progress toward a degree). If the Registrar's stamp is required, failure to give adequate time for completion may result in the club not obtaining the necessary paperwork in time.

1. Each student's correctly spelled full name and ID number
2. What is to be verified (i.e. registered, currently enrolled, full-time status, progress toward a degree, good academic standing, GPR, other). It is the club's responsibility to request this information from their governing association. Failure to submit this information will delay the verification process.
3. In order to release certain information (e.g. GPR) the University must have the signed permission of each individual. **The Information Release Form, which can be found on the Sport Clubs website, must be completed and submitted in order for the University to release and check grades and status. Clubs MUST go to the registrar's office prior to bringing to the Sport Clubs' office for signatures.**

C. Expectations During the Trip
